# TOWN OF ATLANTIC BEACH

## BUDGET MESSAGE

May 10, 2019

**Honorable Mayor Cooper and Town Council**  
**Town of Atlantic Beach, N.C**

**Re: Proposed FY 2019-20 Budget**

Dear Mayor Cooper and Members of the Board:

In accordance with Section 159-11 of the NC General Statutes, I am pleased to present the proposed FY 2019-20 Budget for the Town of Atlantic Beach for your review and consideration. The budget is a sound financial plan and has been prepared with the Board's goals and objectives adopted from their annual planning session and budget workshops. All sections of the proposed budget are in conformance with the Local Government Budget and Fiscal Control Act as amended. A balanced budget for the next fiscal year, or an interim budget, must be adopted by June 30, 2019. Pursuant to N.C.G.S. 159-12, a public hearing on the proposed budget will be held on Monday, May 20, 2019 at 6:00 pm in the Town Council Boardroom. This date has been advertised for public notice and copies of the budget have been made available to local news media. With the submittal of the final budget proposal to the Board, copies are available for public inspection on the Town's website, in the Office of Town Clerk and at the front desk of Town Hall.

The proposed FY 2019-20 Town of Atlantic Beach budget is balanced and totals **\$8,300,555** for all operations. The budget is spread over the following funds: **General Fund \$6,733,400; Water Utility \$1,319,905; Beach Nourishment/Channel/Access Reserve Fund (no appropriation); Stormwater Fund \$175,000; Powell Bill Fund \$20,000; and Water Capital Reserve Fund \$52,250.**

### **REVENUES**

The Town's largest single source of revenue continues to be from property taxes. Next year this figure is \$2,808,000 and amounts to some 42% of general fund revenues anticipated for FY 2019-20.

At the time this proposed budget was being prepared and based on the uncertainty of the final tax base numbers from the Carteret County Tax Department, which will not become final until after budget adoption, the Town is using a tax base figure of \$1,568,274,480 *which incorporates a loss in value due to Hurricane Florence*. This figure is applied to the proposed tax rate of **\$0.18 per \$100.00** valuation, and a tax collection rate of 99.5%, generating \$2,808,000 in property tax revenues. Approximately

\$234,000 (1.5¢ of the 18¢ tax rate) in tax revenue will be held in a Beach Nourishment/Dredging Fund for future projects. **Each cent of property tax generates about \$156,000 in revenues.**

The second largest source of general fund revenue is derived from local sales taxes and anticipated to be \$1,160,000 in FY 2019-20; the third being Solid Waste user fees of \$530,000, and the fourth of \$500,000 in grant proceeds from a Hurricane Florence induced NC Recovery and Resiliency Grant anticipated to be received in FY2019-20. Water fees collected in the Town's Utility Fund generate \$1,224,255 for the utility's separate operation.

Other revenue sources such as interest income and a variety of State Collected Local Revenues are projected to be flat or even decline (ie. Telecom & Cable TV) for the foreseeable future. There is a two to three month lag in receiving some of these revenues so the annual trend is not easily observed.

## **EXPENDITURES**

Expenditure estimates were compiled and formulated by the Budget Officer (Town Manager) based upon written requests and justification submitted by the various department heads. These requests were made available for Council review and included in the Budget Workbook. Each department's request was given consideration based on current and prior year expenditures, proposed work program needs, inflationary trends and a review of each departmental operation. All revenue estimates in the budget are based upon recommendations provided by the NC League of Municipalities, current contracts, and figures provided by department heads that have revenue collection responsibility and actual revenues received during the current fiscal year.

As a result of the continuing economic conditions, expenditures are being budgeted very conservatively in an attempt to ensure that they do not exceed, to any great extent, anticipated revenues. Personnel costs compose 58% of our expenditures and include salaries, FICA, health insurance, retirement, workers comp, and other related federal /state employer costs.

Workers Compensation, Property & Liability, and Flood insurance rates are estimated to increase by 15%. Budgeted expenditures for Capital Improvements are very limited for the next fiscal year because of revenue shortfalls, economic conditions and the desire to conservatively balance the budget.

Mileage allowances for employee use of personal vehicles, unless other vehicle allowance arrangements have been specified, are based on current rates allowed by the IRS. Pier Diem meal allowances are capped at \$35.00 per day unless higher amounts are authorized by the Town Manager.

## **HIGHLIGHTS**

### **I. General Fund Revenues:**

- The General Fund revenues increased over last year by 10%, due in part to increased tax revenue for beach nourishment/ dredging reserves.
- Minimal increase in Solid Waste User Fees currently proposed due to increased costs from Waste Industries for recycling and residential refuse collection services.
- Monthly storm water fees would be increased by \$2.00/month at mid year to begin to address the remaining \$1million of storm water project town wide.

## II. General Fund Expenditures:

- The total work force is projected for 56 full-time employees, down 1 from last year as follows:

Police - 17 (16 sworn)	Admin - 3
Fire/EMS - 14	Finance - 3
Public Works - 11	Plan/Insp - 3
Water – 4	Parks & Rec – 1

### Part Time:

Police - 25 (seasonal)	Summer Lifeguards - 12
Fire/EMS - 15	Summer Park Attendants -12
Finance – 1 (20 hrs/wk)	

- Based upon usage and age/gender trends, the self-insured insurance program rates with Aultra Insurance Group is estimated to renew with a 12% increase. The budget as proposed increases insurance costs to \$700 per person per month, an increase of almost \$100. Town staff is seeking insurance quotes for fully-insured plans to compare rates.
- A 2% COLA amount is proposed to all full time employees as of July 1<sup>st</sup>. A 1% allocation for increases based upon annual evaluations is available for each department for those employees not in line to receive increases for certifications, satisfactory probation periods, promotion in rank or duties.
- General Fund Projects funded include:
  - **Beach Services: \$133,500.** This division contains the costs associated with our Summer Public Parking Program, beach refuse removal, bathhouse supplies, maintenance and utilities at the Boardwalk, Circle, and public beach accesses.
  - **Paid Parking Revenue: \$165,000.** Revenue received is expected to generate an amount equivalent to one cent on the tax rate. Local residents and tenants will again qualify for free parking by use of stickers or the Hurricane Re-entry Pass.
  - **Summer Lifeguard Program: \$43,000.** We again will provide 7-days-a-week coverage during the summer on the Boardwalk beach strand from Memorial Day weekend thru mid-August when schools begin.
  - **Beach /Channel Program : \$234,000.** Based on the estimated revenue from 1.5 cents in property taxes, a program has been established to reserve funds for building future reserves dedicated for cost sharing of major state/federal grant funding for beach and boating channel improvements and funding for beach access projects. . This concept received a 75% approval rating from property owners on a recent online Town survey. Beach nourishment monies will offset the local share of sand placement for the Circle access and westward. Town dredging is limited from the shoreline channel outlets out to the ICW. The town does not take on the responsibility of dredging inside residential canals due to liability concerns with privately maintained bulkheads. *The Town has 22 public beach access structures with over 4400 linear feet of boardwalk;* some of these structures are approaching 30 years of age. Though the Town has been most successful in acquiring grants for their instillation, we now must prepare for their ongoing maintenance. These funds would be combined with leftover room tax funds of **\$221,775** for a new combined total of **\$455,775**. This new fund will be needed if the Council desires to pursue participation in a project this fall to nourish the 2.5 miles beach area from the Circle west to the town limits and also begin to accumulate funds necessary to match federal/state/county funds in the County program every 10 years.

- **Parks & Recreation: \$265,937.** Funds provided to cover the staffing, maintenance and upkeep of the Town Park and mini golf program as well as activities and promotions during the year such as July 4th Fireworks, Summer Movies and Bands in the Park, AB Beach Music Festival, and Easter, Halloween, Christmas and First Night events.

**III. Capital Outlay.** The General Fund and Utility Water Fund capital outlay items are as follows:

<b>Police Department</b>	
	70,000 2 replacement vehicles
\$	70,000
 Fire Department	
	27,445 Replacement Cardiac Monitor
	6,000 Replacement Honda ATV
\$	33,445
 Public Works Department	
	30,000 Mini Skidsteer for beach maintenance
\$	30,000
 <b>Total General Fund:</b>	 <b>\$ 133,445</b>
 Water Department	
	40,000 Generator -Well 2A
	33,000 1 replacement pickup
\$	73,000
 <b>Total Water Fund:</b>	 <b>\$ 73,000</b>

- IV. Sales Tax.** Proceeds are increased in the budget from \$1,100,000 to \$1,160,000. We need to be aware that our distribution of these sales taxes can be adversely affected by other towns and especially the County raising their tax rates, as the formula is based on the ratios of valuations. With all the Fire/Rescue Districts rates and Beach Sand Tax rates, these are extremely volatile when other units raise their property tax rates. The end result may mean even less sales tax for us next year.

**V. Coral Bay Park Property.**

- The Debt Service on this property is a big part of our General Fund budget. The original \$4 million loan to purchase the property for a wastewater treatment site has been modified twice since its inception, the latest in FY2012-13, lowering the interest rate from initially 74% of the loan at 3.91% and 26% of the loan at 6.41% to the current loan terms for the full remaining balance at only 1.97%. The current \$.5 million balance contains two more annual installments with payoff in March 2021.
- We continue to utilize a major portion of Stormwater fee proceeds (\$92,400) to pay approximately one-third (1/3) of the annual debt service on this item (\$277,175) as stipulated in the original state treasurer debt resolution as a reimbursement transfer to the General Fund.

**VI. Debt Service.**

- Current General Fund debt service includes annual loan payments for the Coral Bay Park property (two more annual payments), a 2013 fire pumper (final annual payments in FY2019-20), and a 2018 ambulance (seven annual payments).
- We pay off the final \$54,633 installment of the 2013 1500 GPM Fire Pumper

- In FY2016-17, the Town took out a seven year \$250,000 loan at 2.49% interest rate for SCADA equipment for the utility system. This is the only current debt service in the Water Utility fund at \$39,360.

## VII. Water Utility Fund:

- Estimating revenues of \$1,319,905; as we continue to substantially lower our water loss billing ratio from the new AMR meter program town-wide change out of over 2800 meters.
- To keep our utility self-sustaining with the rising cost of chemicals, production, and operating/maintenance and delivery costs, a \$0.30 increase for our base water rate (to become \$4.05 per 1000 gal.) is scheduled for October 31<sup>st</sup> bills (October usage). A survey of all local municipal and private water utilities shows that even with this slight increase, our residents will still pay the lowest water charges in the county.

## VIII. Fund Balances

- **General Fund:** We will finish this budget year with an estimated Unassigned General Fund Balance of **\$2,184,700 (42.22%** of GF expenditures). The state recommends a minimum of 8%, which would be \$553,056. State averages of towns our size are 80.6%, but this average amount is also only \$1,373,323. Total estimated GF Fund Balance at June 30, 2019 is **\$2,918,682 (31.60%)**.
- **Beach /Channel Fund :** These left over room tax disbursements may be used toward tourism development, such as local matches for CAMA beach access grants or as funding toward beach nourishment projects. The estimated reserve at June 30, 2019 is **\$221,775**. The proposed FY2019-20 budget includes funds to rename the Beach Nourishment Fund to the Beach / Channel Funds by an additional one and a half cent property tax which would generate an additional \$234,000.00 per year towards building future reserves dedicated for cost sharing of major state/federal grant funding for beach and boating channel improvements and beach access projects. This concept received a 75% approval rating from property owners on the recent online Town survey.
- **Powell Bill:** While using funding this year to increase spaces with the on-street paid parking program, we propose to reserve some of this year's Powell Bill revenues to apply toward the next round of town-wide repaving projects or installation of sidewalk/bikeways. The estimated Powell Bill reserve at June 30, 2019 would be **\$271,838**.
- **Utility Fund:** Comprised of the water and stormwater activities, this fund closed FY2017-18 with a combined unrestricted net position of **\$1,323,752**.
- **Water Capital Reserve Fund:** Comprised of water capacity use fees, this fund estimates closing at June 30, 2019 at **\$52,250**.

## Summary

I believe the FY2019-20 Atlantic Beach budget reflects the Board's service priorities for the citizens, meets the Board's stated goals and objectives, and is responsive to town-wide needs while reflecting a conservative approach to municipal revenues and expenditures. On behalf of the administrative and finance operations staff, department heads and employees, I am pleased to present this proposed budget of the Town of Atlantic Beach for the next fiscal year to the Mayor and Town Council for their consideration, review and adoption.

We look forward to working with the Board in the delivery of Town services to our citizens in the most professional, businesslike, economical and environmentally sensible manner possible.

Respectfully submitted,  
David R. Walker, Town Manager

Pursuant to NCGS 87-15.6(b), a \$10 Homeowner’s Recovery Fund Fee shall be added to the permit for construction or alteration of any single-family residential dwelling unit in the amount of \$10 for each dwelling unit to be constructed or altered under the permit. The Town will retain \$1.00 and forward \$9 to the North Carolina General Contractors Board, Homeowner’s Recovery Fund quarterly.

**\*\*\*Zoning Compliance Certificate: \$25**

Zoning compliance is required for new construction, replacement of existing exterior structures, change in use, and other projects as required by the Planning Director and/or Chief Building Inspector. Site plan of proposed projects must be approved in order to ensure that the project complies with regulations in the Unified Development Ordinance, including setbacks, encroachments, and impervious surface coverage.

**Building Valuation Data**

Pursuant to Atlantic Beach Code of Ordinances, Sec. 6-70 Permit Fees, the most recent edition of the International Code Council (ICC): Building Valuation Data, updated annually, shall be used to confirm project value estimates for permits based on project cost.

**Expired Permits**

The Town of Atlantic Beach follows the current NC General Statute 160A-418 regarding expired permits. No refunds will be issued for expired permits. If permits are expired, permits will not be reactivated, requiring the permit process to start new, including the submission of new applications and full fees.

**PERMITS DUE TO SIGNIFICANT STORMS**

Permit fees to repair damages that occur from significant storms may be waived by the Mayor and Town Council, not to exceed 6 months from the timeframe of the storm.
