**CUT OFF POLICY:** All accounts showing a past due balance are subject to disconnection of services. If your service is disconnected for non-payment, a \$25 disconnect and \$25 reconnect fee will be added to the account and the account must be paid in full to have service reconnected. **There shall be NO services re-connected after normal business hours. Water Technicians are NOT authorized to accept ANY payments.** Disconnect day is the first Wednesday of each month. To avoid service disruption, all past due balances must be paid in full by 4pm the Tuesday before disconnect day. Payments made online or left in the drop box after 4pm on Tuesday will not be credited as “on time” payments. Accounts disconnected for non-payment must be paid in full with certified funds: cash, cashier check, money order or credit card with confirmation of payment. If the first Wednesday falls on a Holiday, Disconnect Day will be the next business day. Payment arrangements may be made in advance of Disconnect Day by contacting the utility billing clerk.

After 60 days of past due bills the account will be discontinued and the balance due will be turned over to the NC Department of Revenue for collection.

**WATER METERS** should be kept free of vehicles, excessive soil, trash, or other obstructions. Failure to do so will result in a meter re-read fee of \$20.00 per trip for second and subsequent re-read attempts.

**RETURNED CHECKS OR BANK DRAFTS** will result in a fee of \$25.00 being added to the account.
