

Hurricane Dorian

**Update 8: Friday, September 6, 2019
9:00 a.m.**

- Atlantic Beach came through the night in fairly good shape & Damage Assessment Teams report only slightly scattered roof or structural damage.
- The Town is still without power with some power lines down.
- Over the course of the night, Atlantic Beach received 8-10 inches of rain causing a few side streets to flood. Public Works crews are deploying pumps.
- Hwy 58 (Fort Macon Rd.) and the causeway are passable.
- The Town-Wide curfew is still in effect with no public access to the Bridge.
- Town Hall will be closed today (Friday). The Town's non-emergency number for all Public Services, such as water line breaks, is (252) 726-1911.

Everyone should remain in their homes and off the roads until further notice. We will update this status later this morning.

Stay safe!
