# TO: Mayor and Town Council

FROM: Sarah Currie Finance Director

# RE: Financial Statement and Cash & Investment Report

Attached are copies of the Financial Statement and Cash & Investment Report for the month ending December 31, 2023.

# Summary of General and Water Funds – December 2023

٠	General Fund		
	Revenue Collected	\$ 6,645,450	64.82%
	Expenses Spent	\$ 5,159,010	50.32%
٠	Water Fund		
	Revenue Collected	\$ 1,113,257	60.01%
	Expenses Spent	\$ 867,141	46.75%

#### Audited June 30, 2023 Governmental Fund Balances

All

l Governmental Funds	\$6,949,731	
General Fund - Total Fund Balance	\$6,181,343	63.94%
State Statute Reserved Powell Bill	\$649,022 \$232,239	
Committed-Fire Truck, Grant Matches Unassigned G/F Fund Balance	\$2,081,355 <b>\$3,218,727</b>	33.29%
Beach & Waterway Reserve	\$768,028	

FY 2023-24 Governmental Fund Balances Estimated:		% of expenses	budgeted
June 30, 2023 Audited Unassigned GF Fund Balance	\$3,218,727	31.40%	
23-24 Fund Balance Appropriated	-\$325,209		•
Return of loan proceeds held as collateral for fire truck being built	\$1,200,000		
No longer committed to Water Resources grant match	\$300,000		_
June 30, 2024 Estimated Unassigned G/F Fund Balance	\$4,093,518	39.93%	

On January 24, 2022, Atlantic Beach Town Council passed a resolution setting a policy for the Town to strive to maintain an unassigned fund balance of approximately 35% of expenditures. This is more conservative than the Local Government Commission (LGC) requirement to maintain an unassigned fund balance of 8% of total expenditures.

\*The majority of "Wrong District" items are boats that are listed in other towns and/or counties.

Approved by the Town Council at its meeting on \_\_\_\_\_

#### Town Clerk

Underpayments – Authority is given to the Tax Collector to release a balance of \$1.00 or less.

Wrong district – Normally used to indicate the county tax record coding was incorrect.

District change – Normally used to indicate personal property was moved from one town to another done but caught after tax bills are sent. The county will cometimes use wrong district and district change in the order was interchangeably. The result is the came

The county will sometimes use wrong district and district change in the prior year interchangeably. The result is the same. <u>Double billed</u> – The county has listed the same personal property item under two or more different account and/or parcel numbers

Sold in \_\_\_\_\_ - The annual listing form was signed by the taxpayer but in fact the personal property had been sold prior to January 1<sup>st</sup>.

If the taxpayer can prove it the county will "release" the bill. Minimal Bills – The governing board adopted a resolution forgoing the collection of tax bills that do not exceed \$5.00

Licensed Vehicle – motor vehicles that are plated and pay tax/tag together through DMV

All but minimal bills (taxes \$5.00 or less) and underpayments must come from Carteret County. A municipality cannot release taxes on their own.

TO:Mayor and Town CouncilDATE: January 22, 2024FROM:Sarah Currie<br/>Finance Director

### **RE:** <u>Authorization to Write-off \$3,770.08 in Delinquent Utility Accounts</u>

The Town of Atlantic Beach has a total of 29 utility accounts closed prior to December 31, 2020, with unpaid balances totaling \$3,770.08. Qualifying accounts have been sent to debt set-off. The balances remaining have been deemed uncollectible at this point in time. *Staff requests authorization to write-off uncollectible water, solid waste, debris, and late fees in the amount of \$3,770.08.* 

The existence of unpaid accounts distorts the accounts receivable balance. Writing off the uncollectible accounts will reflect a more accurate balance.

The statute of limitations for collecting delinquent solid waste fees when billed with other public enterprise services is three years, § 1-52(1). The statute of limitations for collecting unpaid water fees, under § 25-2-725(1) instead of § 1-52(1), is four years when considering the sale of water by local government utilities as a sale of goods under the Uniform Commercial Code (UCC). As the Town of Atlantic Beach invoices jointly, the recommendation is to use the three-year statutory limitation.

# Town of Atlantic Beach

Item:	Appointment to Dredging Committee
Board Meeting Date:	January 22, 2024

**Overview:** The AB Citizens Committee on Dredging was established by Council on June 23, 2008 with the mission to: Coordinate and study the Town of Atlantic Beach waterways; develop a plan for continual maintenance of the Town's waterways; and identify funding sources for continual maintenance. Danny Navey has served on the committee as Council Liaison since his appointment on December 16, 2013. Danny was elected Mayor in 2023. It is recommended Council appoint Councilmember Harry Archer to the Committee in Mayor Navey's place.

# Board Meeting Agenda Item Submittal Form

Town of Atlantic Beach	
Item:	NC Resilient Coastal Communities Program-Community Action Team
Board Meeting Date:	January 22, 2024
Department or Public Submittal:	Department Planning Public

**Overview:** The Town was awarded \$70,000 in February to complete Phases I and II of the Resilient Coastal Communities Program which will aid in developing a risk and vulnerability assessment and prioritize projects that will increase the Town's resilience to natural hazards.

As a part of the process, we need to establish a Community Action Team (CAT) to serve as liaisons on the project. The Resilient Coastal Communities Program Handbook requires the CAT to have at least five members that are representative of the community and its diverse perspectives. It is recommended that at least one member of the CAT be from (or can speak for) parts of the community that may be traditionally underrepresented in decision-making.

One of the CAT members will be appointed as a "CAT Champion" to lead the team; that person should have the knowledge, expertise, and passion to act as a point person with Dewberry, with whom we have been paired with for Phases I and II, and the NC Division of Coastal Management.

RE: Preposition Contract Preparation and Selection Assistance for: Disaster Debris Removal and Emergency Pumping Services

Dear Mr. Schulze,

In response to the annual request for proposal of services to assist the Town of Atlantic Beach with the preparation of "Preposition Debris Removal Contract for the Tropical, Winter and Nor' Easter Storm Seasons". Johnson Environmental & Disaster Consulting Services respectfully submits this document for your consideration. Also, during 2022, we selected a contractor for a two (2) year agreement for Emergency Pumping Services which will also expire June 30, 2024 and we will need to request proposal of services for the next term.

The outline of the proposal of services for the preparation of a Preposition Debris Removal Contract will be the following:

- I. Conduct information-gathering with Public Works and Town representatives, explain FEMA's guidelines on Phase II Debris Removal and determine precise expectations of Town's Debris Removal and Emergency Response Services Contracts.
- II. Discussions with Carteret County Officials and Coastal Environmental Partnership representatives, to determine locations of preferred disposal sites available to receive wastes.
- III. Review Town and County maps, Internet Search, determining associated distances and initial calculations
- IV. FEMA Guidance Review, Initial Draft Preparation of: Public Notice "Invitation to Bid", and Bid Instruction Package for potential bidders to meet recommendations and expectations of section I. above.
- V. Discussions with Local Government Representatives and Town Attorney (if requested) following the review of Draft Documents.

# Page 2 <u>Debris Removal and Emergency Pumping Contracts Preparation/Selection</u> Assistance, Atlantic Beach, NC (January 04, 2024)

- VI. Preparation of Final Document meeting recommendations and expectations addressed in section V. above.
- VII. Solicitation document preparations, solicitation assistance, discussions and clarification with potential bidders during bidding acceptance period.
- VIII. Conduct public bid opening at the preferred Town location.
- IX. Review bid packages, conduct interviews of references provided by the potential winning bidder, conduct search of US Government "List of Parties Excluded from Federal Procurement and Non-procurement Programs".
- X. Prepare recommendation package and binder for Town Staff. This package will also serve as an easy access source to all relevant contract information.

The outline of the proposal of services for the preparation of a Preposition Emergency Pumping Contract will be the following:

- I. Conduct information-gathering with Public Works and determine any required technical revisions regarding pump locations needs, pumping capacity and discharge locations.
- II. Review Town and County maps, Internet Search, determining associated distances and initial calculations for intake and discharge needs
- III. Preparation of draft documents.
- IV. Discussions with Local Government Representatives and Town Attorney (if requested) following the review of Draft Documents.
- V. Preparation of Final Document meeting recommendations and expectations addressed in section IV. above.
- VI. Solicitation document preparations, solicitation assistance, discussions and clarification with potential bidders during bidding acceptance period.
- VII. Conduct public bid opening at the preferred Town location.
- VIII. Review bid packages, conduct interviews of references provided by the potential winning bidder, conduct search of US Government "List of Parties Excluded from Federal Procurement and Non-procurement Programs".
- IX. Prepare recommendation package and binder for Town Staff. This package will also serve as an easy access source to all relevant contract information.

# Page 3 <u>Debris Removal and Emergency Pumping Contracts Preparation/Selection</u> Assistance, Atlantic Beach, NC (January 04, 2024)

Johnson Environmental offers the above services for rate discounted as we can prepare these concurrently and complete all travel for pre-bid and bid opening date for the same date. We offer these projects for \$4,074.00 each. This not to exceed proposal of \$8,148.00 is conditional to shared costs for travel on both the pre-bid and bid opening dates.

Below are the rates for the completion of the projects above.

Project Description	<u>2024</u>	<u>Confirmation of</u> <u>Selection (please initial)</u>
Phase II Debris Removal	\$4,074.00	
Emergency Pumping	\$4,074.00	
Total	\$8,148.00	

Upon acceptance we will allocate services immediately in order to select contractors prior to the Atlantic Hurricane Season.

Please feel free to contact me to discuss this proposal at (910) 791-9361, and I look forward to providing continued assistance to the Town of Atlantic Beach.

Sincerely,

Barry L. Johnson

Town of Atlantic Beach	Board Meeting genda Item Submitt	0	
Item:	Sidewalk Construction and Payment	t in Lieu Option	
Board Meeting Date:	January 22, 2024		
Department or Public Submittal:	Department Planning	Public	

**Overview:** In July, based on discussion that was held at the retreat in January 2023, we adopted a "Sidewalk Payment in Lieu of Construction" fee as a part of the annual Budget/Fee Schedule adoption.

Staff is proposing an amendment to Chapter 16 of the Town Ordinance which would establish sidewalk construction standards and further clarify when the payment in lieu option would be applicable. We are also proposing to modify the Fee Schedule so that the payment in lieu more accurately represents true construction cost.

Information Attached: (please check if NO information attached)	Yes	X	No
Requested Action: (please check if NO action requested)	Yes	X	No

#### **Description of Action Requested:**

\

Approval of **Ordinance 24-01-01**: Ordinance Amending Chapter 16, Streets and Sidewalks; Article I, In General; Section 8, Sidewalk Construction

# AN ORDINANCE AMENDING CHAPTER 16, STREETS AND SIDEWALKS ARTICLE I, IN GENERAL; SECTION 8 SIDEWALK CONSTRUCTION OF THE TOWN OF ATLANTIC BEACH CODE OF ORDINANCES

WHEREAS, the Town wishes to promote the safety and welfare of the public through the provision of safe and adequate routes of pedestrian access along public rights-of-way throughout town; and

WHEREAS, the Town desires to bridge pedestrian connections to neighborhoods and local destinations such as parks, shopping, restaurants, the beach, and other points of interest.

**THEREFORE, BE IT HEREBY ORDAINED** by the Town of Atlantic Beach Town Council that the Town Code of Ordinances, Chapter 16, Streets and Sidewalks, and the Schedule of Fees are amended as follows:

# **Chapter 16 - STREETS AND SIDEWALKS**

# ARTICLE I. - IN GENERAL

Sec. 16-8. - Sidewalk construction; permit required.

No sidewalk of any description shall be built by any person of any brick, wood, or other material without a written permit from the town.

- (a) Sidewalks are required along the frontage of all new development or redevelopment sites within the MHI, CIR, COR and CPY zoning districts. Such sidewalks shall extend for the entire length of the property's frontage along any public street abutting the property.
- (b) Sidewalks must be constructed to a minimum of five feet in width unless otherwise specified and four inches in thickness. At driveway crossings, sidewalks should be at least six inches in thickness. Wheelchair ramps shall be provided at intersections and other major points of pedestrian flow in accordance with NCDOT standards.
- (c) The edge of the sidewalk should be at least one foot from the edge of the property line. If sidewalk alignments are permitted that extend outside of the public right-of-way, appropriate easements for maintenance of the sidewalk shall be dedicated to the Town.
- (d) No certificates of occupancy shall be issued until these requirements are met or the appropriate surety to guarantee sidewalk construction is received by the Town. Sureties shall be in an amount equal to 125 percent (125%) of the estimated cost of construction, including materials, labor and installation. A signed estimate detailing the cost of installation per linear foot shall be submitted by a contractor for consideration and approval by the Town.

- (e) If the Town Manager determines that the construction of sidewalks along any street at the time of development is impractical or unreasonable due to right-of-way limitations, drainage facilities, topography, utility structures or other significant considerations, the sidewalk construction requirement may be waived for the affected linear footage of street frontage provided that a payment in lieu of sidewalk construction is made. The amount of the required payment in lieu of sidewalk construction shall be established by the Schedule of Fees. A signed estimate detailing the cost of installation per linear foot shall be submitted by a contractor for consideration and approval by the Town in determining the amount of the payment in lieu of construction.
- (f) The Town Manager may review a written request for waiver of the requirement for sidewalk where adequate pedestrian facilities exist along the affected linear footage of street frontage.
- (g) The Town Council shall be the reviewing authority for any appeals related to these requirements. Notice of appeal and a request for a hearing shall be addressed to the Town Manager in writing and shall detail the basis of the appeal. The appellant shall be given notice of the time and place at which the appeal will be heard. The decision of the Town Council following the hearing shall be final and shall be conveyed to the appellant in writing.

Adopted this the  $22^{nd}$  day of January 2024.

TOWN OF ATLANTIC BEACH

ATTEST:

Danny Navey, Mayor

Katrina Tyer, Town Clerk

#### STATE OF NORTH CAROLINA COUNTY OF CARTERET

#### TERMINATION OF ENCROACHMENT LICENSE RIGHTS

**THIS TERMINATION OF ENCROACHMENT LICENSE RIGHTS** (hereafter "Termination") is made by the Town of Atlantic Beach, North Carolina, a municipal corporation and body politic (hereafter "Town").

WHEREAS, Glennon – McRae, LLC (hereafter "LLC") petitioned the Town for a license to encroach into a part of a Town street known as Center Drive, a public right-of-way adjoining LLC's property at 107 Shore Drive (Carteret County Tax parcel # 6385.13.04.39420000), further defined as Lot 1, Block 15, Sound View Isles (hereafter sometimes "Owner's Property"); and

WHEREAS, by action lawfully taken by its Town's Council, the Town agreed to enter into a written Encroachment Agreement with LLC (hereafter "Agreement"), that Agreement being dated March 28, 2008, signed by the Town's Mayor and the LLC's Member Manager, and subsequently recorded with the Carteret County Register of Deeds on September 4, 2008, in Book 1284, Page 312(GR 1284312); and

WHEREAS, the license granted by the Agreement was subject to termination by the Town upon 30 days written notice to LLC or its successor, such termination requiring LLC or its successor to remove all of their property from the right-of-way of Center Drive (sometimes erroneously referred to as Central Drive in the Encroachment Agreement) and to cease any further private use of or encroachment into the same; and

WHEREAS, David and Sonja Hood are LLC's successors in title and the current owners of Owner's Property; and

**WHEREAS**, on November 21, 2023, the Town mailed the required 30-day written notice of termination to David and Sonja Hood as required by the Agreement;

**NOW THEREFORE**, pursuant to the terms of the Agreement herein referenced, the Town Council of the Town of Atlantic Beach hereby:

- 1. Irrevocably terminates all licenses, rights and interests of any and all current and past owners of 107 Shore Drive (Carteret County Tax parcel # 6385.13.04.39420000) granted by the Agreement.
- 2. Reserves and preserves all rights and interests of the Town as provided by the Agreement, such rights and interests surviving this Termination.
- 3. Authorizes and directs this Termination document to be signed by its Mayor.
- 4. Authorizes and directs the Town Manager to cause this Termination document to be recorded with the Carteret County Register of Deeds.
- 5. Directs the Town Clerk to send a copy of the recorded Termination document to the current owners of Owner's Property.

Nothing herein or otherwise withstanding, the purpose of this document is to terminate all license, right, or interest of the owners of Owner's Property to encroach upon or otherwise make private use of the right-of-way of Center Drive in Atlantic Beach, North Carolina, and all provisions herein and the interpretation thereof shall be in accordance with that purpose.

This **Termination Of Encroachment License Rights** is approved by a majority vote of the Town's Council this 22<sup>nd</sup> day of January, 2024 and shall become immediately effective.

RE: Notice of Termination of Encroachment Agreement between the Town of Atlantic Beach "City" and Glennon-McRae, LLC "LLC", dated March 28, 2008 and recorded in Carteret County Register of Deeds Bk 1284/Pg 312

David and Sonja Hood,

On March 28, 2008, the Town of Atlantic Beach "City" and Glennon-McRae, LLC "LLC" entered into an Encroachment Agreement (copy enclosed) allowing LLC to use part of the right of way of Central Drive that runs along the eastern boundary of the property known as 107 Shore Drive (Parcel # 6385130439420000) for placement of a dog pen and other removable personal property items until such time as the City determines it is in the best interest of the public those items be removed.

This letter serves as written notice that the Town of Atlantic Beach is exercising its authority contained within paragraphs 6 and 7 of the Encroachment to terminate the agreement.

- 6. LLC, **upon 30 days written notice from City**, shall remove any items and otherwise cease any uses within the Central Drive right of way (that part running along and with the eastern boundary line of its property) if the City, in it sole discretion, determines that such action should be taken by the LLC or their successors or assigns; and
- 7. With proper notice, the City may require that the LLC remove any or all encroachments from the right of way and/or to cease any further use of the right of way by LLC, for any purpose or no purpose, and should LLC fail to so act after such notice, City may cause such removals and prevent such uses at LLC's cost, and may proceed to do so without obligation to repair or replace any of the items remaining in the right of way after the notice period;

You have 30 days from the date of this letter to remove all property, including, but not limited to the dog pen, landscaping, and any items affecting the proper drainage of the property, from the encroachment area, or the Town will do so at your expense. Thereafter, a formal Termination of Encroachment Agreement will be filed with the Register of Deeds and your use of the encroachment area will be terminated.

Thank you, John O'Daniel

Enclosure

STATE OF NORTH CAROLINA COUNTY OF CARTERET

ENCROACHMENT AGREEMENT

THIS ENCROACHMENT AGREEMENT, made as of this 23.2. day of March, 2008, by and between the Town of Atlantic Beach, North Carolina, a North Carolina municipal corporation in the County of Carteret, State of North Carolina, herein called "City"; and Glennon-McRae, LLC hereinafter called "LLC".

WHEREAS, the parties hereto are the owners or other interest holders of adjoining lands situated in Atlantic Beach, North Carolina, in the County of Carteret, the interests of the City being the public right of way of Center Drive as obtained by dedication and acceptance of the same as indicated on that plat recorded in Map Book 2, Page 196, Carteret County Registry and the interests of LLC being in 107 Shore Drive (parcel # 6385.13.04.39420000) and further described as Lot 1, Block 15, Sound View Isles as shown on the above referenced plat; and

WHEREAS, LLC wishes to use that part of the right of way of Central Drive that runs along and with the eastern boundary line of their property for placement of a dog pen and other removable miscellaneous items of personal property belonging to it until such time as the Town shall determine, in its sole discretion, that it is in the best Interest of the public that those items be removed; and

WHEREAS, LLC does hereby recognize and acknowledge that their past, current and continued use of a part of Center Drive, a public right of way within the Town's municipal limits, has been and will continue to be by the implicit or explicit permission of the Town; and

BOOK 1284 PAGE 312

WHEREAS, City has agreed that LLC may continue its implied license with the Town to use and encroach into the right of way of Center Drive subject to the following terms and conditions contained herein:

**NOW, THEREFORE**, the parties, in consideration of the mutual covenants, the premises, and other good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, do hereby agree as follows:

- LLC is granted a license to encroach into the public right of way known as Center Drive where such right of way runs along and with the eastern right of way of their property as described herein.
- 2) LLC will place no permanent structures in the right of way;
- 3) LLC will assure that any use they make of the right of way shall not cause drainage problems (standing water, flooding, erosion etc.) or unreasonably interfere with access to or use of Shore Drive or Center Drive by pedestrian and vehicular traffic; and
- 4) LLC, their successors and assigns will be solely responsible for the items they may place in the right of way and shall assure that such items shall not be or become a nuisance or otherwise dangerous to the public or the LLC's neighbors; and
- LLC will assure that any damages to the right of way caused by their use shall be repaired and properly maintained; and
- 6) LLC, upon 30 days written notice from City, shall remove any items and otherwise cease any uses within the Central Drive right of way (that part running along and with the eastern boundary line of its property) if the City, in it sole discretion, determines that such action should be taken by the LLC or their successors or assigns; and
- 7) With proper notice, the City may require that the LLC remove any or all encroachments from the right of way and/or to cease any further use of the right of way by LLC, for any purpose or no purpose, and should LLC fail to so act after such notice. City may cause such removals and prevent such uses at LLC's cost, and may proceed to do so without obligation to repair or replace any of the items remaining in the right of way after the notice period; and
- 8) This Agreement shall not create in LLC any rights, title or interest in the rights-of-way or property of the City, but shall simply constitute a license to LLC allowing the encroachments and uses anticipated by this Agreement to remain where they are until City shall require their removal as herein provided.
- 9) LLC agrees to defend and hold the City harmless from any and all actions, suits, claims, proceedings or investigations against it that arise out of or relate to the placement of items or use of the right of way, including City's reasonable attorney fees.

BOOKL284 PAGE 312

2

This Agreement shall bind and inure to the benefit of the parties and their heirs, personal representatives, successors and assigns. Wherever used herein, the singular shall include the plural, the plural the singular, and the use of any gender shall be applicable to all genders as the context may require. The laws of the State of North Carolina will govern this Agreement. It constitutes the complete and exclusive statement of the agreement between the parties and supersedes all proposals, oral or written, and all other communications between the parties relating to the subject matter of this Agreement.

IN TESTIMONY WHEREOF, the parties have hereunto set their hands and seals (each party executing below without affixing their seal having adopted the word "SEAL" as the same) as of the day and year first above written.

#### NORTH CAROLINA GENERAL WARRANTY DEED

This Deed is made and delivered as of this the <u>13</u><sup>-L</sup> day of September, 2016, by and between GLENNON-MCRAE, LLC, a North Carolina limited liability company ("Grantor"), with an address of 631-B Dickinson Avenue, Greenville, North Carolina 27834; and YON NO and spouse, YOUNG CHA NO, (collectively, "Grantee"), with a mailing address of 5144 Pineball Wynd, Raleigh, North Carolina 27604-5824.

For valuable consideration paid by the Grantee to the Grantor, the receipt and sufficiency of which is hereby acknowledged, the Grantor has and by these presents does hereby grant, bargain, sell and convey unto the Grantee in fee simple absolute that certain lot or parcel of land, together with all buildings and other improvements thereon (collectively, the "Premises") particularly described as follows:

BEING all of Lot Number One (1) in Block Number Fifteen (15) as shown and designated on the map of Sound View Isles, which map was made by George J. Brooks, Eugineer, in July, 1952, and is duly recorded in the Office of the Register of Deeds of Carteret County in Map Book 2, Page 196.

TO HAVE AND TO HOLD the Premises and all privileges and appurtenances thereto belonging to the Grantee in fee simple absolute.

And the Grantor covenants with the Grantee that the Grantor is seized of the Premises in fee simple absolute, has the right to convey the same in fee simple absolute, that title is marketable and free and clear of all encumbrances, and that the Grantor will warrant and defend the title against the lawful claims of all persons whomsoever except for the following exceptions to title:

#### STATE OF NORTH CAROLINA COUNTY OF CARTERET

#### TERMINATION OF ENCROACHMENT LICENSE RIGHTS

**THIS TERMINATION OF ENCROACHMENT LICENSE RIGHTS** (hereafter "Termination") is made by the Town of Atlantic Beach, North Carolina, a municipal corporation and body politic (hereafter "Town").

WHEREAS, Eleanor Cummings Beasley and husband Charles Beasley, Harry Hodges Cummings and wife June Cummings, and Howard Johnson Cummings and wife Sharron J. Cummings (hereafter collectively "Cummings") petitioned the Town for a license to encroach into a part of a Town street known as Center Drive, a public right-of-way adjoining Cummings property at 201 Shore Drive (Carteret County parcel # 6385.13.04.4940000) and further described as Lot 1, Block 7, Sound View Isles (hereafter sometimes "Owner's Property"); and

WHEREAS, by action lawfully taken by its Town's Council, the Town agreed to enter into a written Encroachment Agreement with Cummings (hereafter "Agreement"), that Agreement being dated July 28, 2008, signed by the Town's Mayor and Cummings, and subsequently recorded with the Carteret County Register of Deeds on August 11, 2008, in Book 1282, Page 28 (GR 1282028); and

WHEREAS, the license granted by the Agreement was subject to termination by the Town upon 30 days written notice to Cummings or their successors, such termination requiring Cummings or their successors to remove all of their property from the right-of-way of Center Drive (sometimes erroneously referred to as Central Drive in the Encroachment Agreement) and to cease any further private use of or encroachment into the same; and WHEREAS, Cummings are still shown in the public records of Carteret County to be the current owners of Owner's Property; and

**WHEREAS**, on November 21, 2023, the Town mailed the required 30-day written notice of termination to Howard and Elenor Cummings as required by the Agreement;

**NOW THEREFORE**, pursuant to the terms of the Agreement herein referenced, the Town Council of the Town of Atlantic Beach hereby:

- 1. Irrevocably terminates all licenses, rights, and interests of any and all current and past owners of 201 Shore Drive (Carteret County parcel # 6385.13.04.4940000) granted by the Agreement.
- 2. Reserves and preserves all rights and interests of the Town as provided by the Agreement, such rights and interests surviving this Termination.
- 3. Authorizes and directs this Termination document to be signed by its Mayor.
- 4. Authorizes and directs the Town Manager to cause this Termination document to be recorded with the Carteret County Register of Deeds.
- 5. Directs the Town Clerk to send a copy of the recorded Termination document to the current owners of Owner's Property.

Nothing herein or otherwise withstanding, the purpose of this document is to terminate all license, right, and interest of the owners of Owner's Property to encroach upon or otherwise make private use of the right-of-way of Center Drive in Atlantic Beach, North Carolina, and all provisions herein and the interpretation thereof shall be in accordance with that purpose.

This **Termination Of Encroachment License Rights** is approved by a majority vote of the Town's Council this 22<sup>nd</sup> day of January, 2024 and shall become immediately effective.

Mr. Howard Cummings 212 Taylor Street Raleigh, NC 27607 and via email: hjcummings@gmail.com

Ms. Eleanor Cummings 1103 Country Club Drive Kinston, NC 28501

RE: Notice of Termination of Encroachment Agreement between the Town of Atlantic Beach "City" and Eleanor Cummings Beasley and husband Charles Beasley, Harry Hodges Cummings and wife June Cummings, and Howard Johnson and wife Sharon J. Cummings "Cummings," dated July 28, 2008 and recorded in Carteret County Register of Deeds Bk 1282/Pg 28.

Mr. Cummings and Ms. Cummings,

On July 28, 2008, the Town of Atlantic Beach "City" Eleanor Cummings Beasley and husband Charles Beasley, Harry Hodges Cummings and wife June Cummings, and Howard Johnson and wife Sharon J. Cummings "Cummings" entered into an Encroachment Agreement (copy enclosed) allowing Cummings to use part of the right of way of Central Drive that runs along the western boundary of the property known as 201 Shore Drive (Parcel # 638513044940000) for placement of a dog pen and other removable personal property items until such time as the City determines it is in the best interest of the public those items be removed.

This letter serves as written notice that the Town of Atlantic Beach is exercising its authority contained within paragraphs 6 and 7 of the Encroachment to terminate the agreement.

- 6. Cummings, upon 30 days written notice from City, shall remove any items and otherwise cease any uses within the Center Drive right of way (that part running along and with the western boundary line of its property) if the City, in its sole discretion, determines that such action should be taken by Cummings or their successors or assigns; and
- 7. With proper notice, the City may require that Cummings remove any or all encroachments from the right of way and/or to cease any further use of the right of way by Cummings, for any purpose or no purpose, and should Cummings fail to so act after such notice, City may cause such removals and prevent such uses at Cummings' cost, and may proceed to do so without obligation to repair or replace any of the items remaining in the right of way after the notice period;

You have 30 days from the date of this letter to remove all property, including, but not limited to the dog pen, landscaping, and any items affecting the proper drainage of the property, from the encroachment area, or the Town will do so at your expense. Thereafter, a formal Termination of Encroachment Agreement will be filed with the Register of Deeds and your use of the encroachment area will be terminated.

Thank you, John O'Daniel

#### ENCROACHMENT AGREEMENT

**THIS ENCROACHMENT AGREEMENT**, made as of this 28<sup>th</sup> day of July, 2008, by and between the Town of Atlantic Beach, North Carolina, a North Carolina municipal corporation in the County of Carteret, State of North Carolina, herein called "City"; and Eleanor Cummings Beasley and husband Charles Beasley, Harry Hodges Cummings and wife June Cummings, and Howard Johnson Cummings and wife Sharron J. Cummings together herein called "Cummings".

WHEREAS, the parties hereto are the owners or other interest holders of adjoining lands situated in Atlantic Beach, North Carolina, in the County of Carteret, the interests of the City being the public right of way of Center Drive as obtained by dedication and acceptance of the same as indicated on that plat recorded in Map Book 2, Page 196, Carteret County Registry and the interests of Cummings being in 201 Shore Drive (parcel # 6385.13.04.4940000) and further described as Lot 1, Block 7, Sound View Isles as shown on the above referenced plat; and

WHEREAS, Cummings wishes to use that part of the right of way of Central Drive that runs along and with the western boundary line of their property for placement of a dog pen and other removable miscellaneous items of personal property belonging to them until such time as the Town shall determine it in the best interest of the public that those items be removed; and

WHEREAS, Cummings does hereby recognize and acknowledge that their past, current and continued use of a part of Center Drive, a public right of way within the Town's municipal limits, has been and will continue to be by the implicit or explicit permission of the Town; and

BOOK 282 PAGE 28

0

WHEREAS, City has agreed that Cummings may continue its license with the Town to use and encroach into the right of way of Center Drive subject to the following terms and conditions contained herein:

**NOW, THEREFORE**, the parties, in consideration of the mutual covenants, the premises, and other good and valuable consideration, the sufficiency and receipt of is hereby acknowledged, do hereby agree as follows:

- Cummings is granted a license to encroach into the public right of way known as Center Drive where such right of way runs along and with the western right of way of their property as described herein.
- Cummings will place no permanent structures in the right of way;
- 3) Cummings will assure that any use they make of the right of way shall not cause drainage problems (standing water, flooding, erosion etc.) or unreasonably interfere with access to or use of Shore Drive or Center Drive by pedestrian and vehicular traffic; and
- 4) Cummings, their successors and assigns will be solely responsible for the items they may place in the right of way and shall assure that such items shall not be or become a nuisance or otherwise dangerous to the public or their neighbors; and
- 5) Cummings will assure that any damages to the right of way caused by their use shall be repaired and properly maintained; and
- 6) Cummings, upon 30 days written notice from City, shall remove any items and otherwise cease any uses within the Center Drive right of way (that part running along and with the western boundary line of their property) if the City, in it sole discretion, determines that such action should be taken by Cummings or their successors or assigns; and
- 7) With proper notice, the City may require that the Cummings remove any or all encroachments from the right of way and/or to cease any further use of the right of way by Cummings, for any purpose or no purpose, and should Cummings fail to so act after such notice, City may cause such removals and prevent such uses at Cummings' cost, and may proceed to do so without obligation to repair or replace any of the items remaining in the right of way after the notice period; and
- 8) This Agreement shall not create in Cummings any rights, title or interest in the rightsof-way or property of the City, but shall simply constitute a license to Cummings allowing the encroachments and uses anticipated by this Agreement to remain where they are until City shall require their removal as herein provided.
- 9) Cummings agrees to defend and hold the City harmless from any and all actions, suits, claims, proceedings or investigations against it that arise out of or relate to the placement of items or use of the right of way, including reasonable attorney fees.

2 BOOK J282 P 28

This Agreement shall bind and inure to the benefit of the parties and their heirs, personal representatives, successors and assigns. Wherever used herein, the singular shall include the plural, the plural the singular, and the use of any gender shall be applicable to all genders as the context may require. The laws of the State of North Carolina will govern this Agreement. It constitutes the complete and exclusive statement of the agreement between the parties and supersedes all proposals, oral or written, and all other communications between the parties relating to the subject matter of this Agreement.

IN TESTIMONY WHEREOF, the parties have hereunto set their hands and seals (each party executing below without affixing their seal having adopted the word "SEAL" as the same) as of the day and year first above written.

# Board Meeting Agenda Item Submittal Form

Item:	Opposition to Proposed Increase on Homeowners' Rates
Board Meeting Date:	January 22, 2024

**Overview:** Insurance Commissioner Mike Causey announced that the North Carolina Rate Bureau filed a rate filing with the North Carolina Department of Insurance on Wednesday asking for an average statewide increase in homeowners' insurance rates of 42.2%. The increase is 99.4% for Carteret County Beach areas.

The Rate Bureau has asked for the rates to become effective Aug. 1.

The North Carolina Rate Bureau represents companies that write insurance policies in the state and is a separate entity from the North Carolina Department of Insurance.

This rate filing follows the homeowners' insurance rate filing that the Department of Insurance received from the North Carolina Rate Bureau in November 2020, where the Rate Bureau requested an overall average increase of 24.5%. That filing resulted in a settlement between Commissioner Causey and the Rate Bureau for an overall average rate increase of 7.9%.

A public comment period is required by law to give the public time to address the proposed rate increase. There are four ways to provide comments:

- A public comment forum will be held to listen to public input on the North Carolina Rate Bureau's rate increase request at the North Carolina Department of Insurance's Jim Long Hearing Room on Jan. 22 from 10 a.m. to 4:30 p.m. The Jim Long Hearing Room is in the Albemarle Building, 325 N. Salisbury St., Raleigh, N.C. 27603.
- A virtual public comment forum will be held simultaneously with the in-person forum on Jan. 22 from 10 a.m. to 4:30 p.m.
- Emailed public comments should be sent by Feb. 2 to: 2024Homeowners@ncdoi.gov.
- Written public comments must be received by Kimberly W. Pearce, Paralegal III, by Feb. 2 and addressed to 1201 Mail Service Center, Raleigh, N.C. 27699-1201.

All public comments will be shared with the North Carolina Rate Bureau. If Department of Insurance officials do not agree with the requested rates, the rates will either be denied or negotiated with the North Carolina Rate Bureau. If a settlement cannot be reached within 50 days, the Commissioner will call for a hearing.

**Description of Action Requested:** Approval of Resolution 24-01-02: Resolution Opposing The Proposed Increase on Homeowners' Insurance Rates by the NC Rate Bureau

# RESOLUTION OPPOSING THE PROPOSED INCREASE ON HOMEOWNERS' INSURANCE RATES BY THE NC RATE BUREAU

WHEREAS, The NC Rate Bureau submitted a filing to the NC Department of Insurance (NCDOI) for an increase on Homeowners' Insurance Rates for fire and extended (wind) coverage; and

WHEREAS, the Town of Atlantic Beach remains very concerned about homeowners' insurance rates in Atlantic Beach and across the entire NC coastal region; and

WHEREAS, the Town of Atlantic Beach encourages Commissioner Causey to completely reject the requested 99.4% increase to base rates for Territory #120; and

WHEREAS, the Town of Atlantic Beach requests that NCDOI, the Rate Bureau, and the NC General Assembly work toward a fairer rate structure for homeowners' insurance in coastal North Carolina; and

**WHEREAS,** homeowners in Atlantic Beach and all of Territory #120 already pay the highest base rates in the entire State. Current base rates are already 4-5 times higher than many other areas of North Carolina, and the requested increase will increase this disparity further;

**NOW, THEREFORE, BE IT RESOLVED** that the Atlantic Beach Town Council expresses its opposition to the proposed homeowners' insurance rates as requested by the NC Rate Bureau; and requests the NC State Insurance Commissioner require insurers to provide more detailed information about premiums and losses by geographic territory to determine if such proposed rates increase are warranted.

This the 22<sup>nd</sup> day of January, 2024.

# Interlocal Cooperation Agreement Between the County of Carteret and the Town of Atlantic Beach for the Provision of GIS (Geographic Information System) Services

This INTERLOCAL COOPERATION AGREEMENT made and entered into \_\_\_\_\_, 2024, by and between the County of Carteret, State of North Carolina, a body politic and corporate, hereinafter sometimes referred to as the "County"; and the Town of Atlantic Beach, a body politic and corporate, hereinafter sometimes referred to as the "Town" is hereby approved to provide the Carteret County GIS Department with the authority to provide GIS services to the Town. This interlocal agreement between the County and the Town is authorized by N.C.G.S. §160A-461.

This INTERLOCAL COOPERATION AGREEMENT shall include the following provisions

- A. The County will administer GIS data for the Town.
- B. The County through its GIS Department will direct personnel to perform this function on behalf of the Town.
- C. This agreement shall be for one year but will renew annually if either party does not submit in writing to the other party intent to terminate the agreement. In the event of either party's desire to terminate the agreement, a 30-day notice of termination shall be given from one party to the other.
- D. The County reserves the right to review from time to time the adequacy of the agreed upon fees received in relation to the cost of administering and maintaining the Town Zoning Ordinance pertaining to GIS services and/or other provided GIS Services. The current billable rate is \$60.00/hr.
- E. Atlantic Beach Staff, by way of this agreement, will have access/ license to use ArcGIS software under the County enterprise license.
- F. This Agreement may be amended from time to time as agreed to by both parties.
- G. The Town Manager and/or Town Clerk and/or Town Planner and/or Town Designated Director will be designated the main point of contact for County officials carrying out the obligations of this Section and will be responsible for initiating the resolution of any disputes between the applicant, County agents, or the Town as a result of administering this ordinance.

# NOW, THEREFORE, IT IS AGREED BY THE COUNTY AND TOWN AS FOLLOWS:

- A. The County will administer GIS data for the Town.
- B. The County through its GIS Department will direct personnel to perform this function on behalf of the Town.
- C. This agreement shall be for one year but will renew annually if either party does not submit in writing to the other party intent to terminate the agreement. In the event of either party's desire to terminate the agreement, a 30-day notice of termination shall be given from one party to the other.
- D. The County reserves the right to review from time to time the adequacy of the agreed upon fees received in relation to the cost of administering and maintaining the Town Zoning Ordinance pertaining to GIS services and/or other provided GIS Services. The current billable rate is \$60.00/hr.
- E. Atlantic Beach Staff, by way of this agreement, will have access/ license to use ArcGIS software under the County enterprise license.
- F. This Agreement may be amended from time to time as agreed to by both parties.
- G. The Town Manager and/or Town Clerk and/or Town Planner and/or Town Designated Director will be designated the main point of contact for County officials carrying out the obligations of this Section and will be responsible for initiating the resolution of any disputes between the applicant, County agents, or the Town as a result of administering this ordinance.

IN TESTIMONY WHEREOF, this agreement is executed and sealed by the parties pursuant to authority duly given by resolution of their respective boards and shall become effective upon adoption.

# Board Meeting Agenda Item Submittal Form

Item: Acknowledgement of Town's Financial Performance Indicator of Concern (FPIC) and Town's Response

Board Meeting Date: January 22, 2024			
Department or Public Submittal:	Department XXX	Public	

#### **Overview:**

Under 20 NCAC 20 03 .0508, if a unit is notified by its independent auditor that the unit's audited financial statements included one or more significant deficiencies, material weaknesses, or other findings, or if Financial Performance Indicators of Concern were identified, the governing body must develop a "Response to the Auditor's Findings, Recommendations, and Fiscal Matters" signed by a majority of the members of the governing body and submitted to the LGC within 60 days of the auditor's presentation. It is recommended that all members of the governing body as well as the Finance Officer and Town Manager sign the response in acknowledgement.

For Financial Performance Indicators of Concern (FPIC), 20 NCAC 20 03 .0508 specifically requires (A) A written description of the procedure, process, or action plan developed by the government unit to address each FPIC and (B) The description shall provide specific and detailed steps with measurable results that allow the governing body to conclude that it will address each specific FPIC. The description may include such information as the time period required for improvement, any governing body action required for implementation, the steps to increase revenue or reduce expenses, the frequency of performance evaluation, and other matters necessary to evaluate the success of the plan.

Previously, a unit was not required to respond to the LGC unless they received a unit letter issued by LGC staff. Now responses to issues of concern are required and initiated by the unit under this new process.

Failure to provide a timely and adequate response and to promptly implement the corrective action identified may result in financial losses to the unit and may limit the unit's ability to obtain LGC approval to issue debt.

In the annual audit of the Town's Financial Statements for the fiscal year ended 6/30/2023, an FPIC was identified. Most FPICs are triggered by ratios calculated by our auditors in the audit of our financial statements and submitted to the LGC as required. That was the case with the FPIC identified that we are now addressing and have formulated a response to. The following is the FPIC identified:

CASH FLOW INDICATORS: Water and Sewer Capital Assets Condition Ratio result .16

This capital assets condition ratio formula calculates the remaining useful life. A remaining useful asset value less than 0.50 may signal the need to replace the assets in the near future.

The formal response is in the attached letter to the LGC. In summary, we acknowledge the lack of remaining useful life of the assets in the water department and plan to discuss options at our annual retreat in February 2024 using the water plant assessment performed in August 2021 as a guide. We have also noted we have healthy reserves in the water fund available for use.

Our auditor's presentation was at the November 27, 2023 council meeting so our response is due January 26, 2024.

Information Attached: (please check if NO information attached)	Yes	X	No	
Requested Action: (please check if NO action requested)	Yes		No	X

## **Description of Action Requested:**

Acknowledgement of Town's Financial Performance Indicator of Concern (FPIC) and Town's response.

January 22, 2024

North Carolina Department of the State Treasurer Local Government Commission Attn: Sharon Edmundson 3200 Atlantic Avenue Raleigh, NC 27604 Re: Response to the Independent Auditor's Findings, Recommendations & Fiscal Matters

Ms. Edmundson:

We have carefully reviewed the audit findings and Financial Performance Indicators of Concern ("FPIC") presented to the Town of Atlantic Beach Council by Austin Eubanks of Thompson, Price, Scott, Adams & Co. on November 27, 2023. Our response addressing each item follows:

## CASH FLOW INDICATORS:

Water and Sewer Capital Assets Condition Ratio result .16
 This capital assets condition ratio formula calculates the remaining useful life. A remaining useful asset value less than 0.50 may signal the need to replace the assets in the near future.

## **RESPONSE:**

The Town of Atlantic Beach acknowledges the lack of remaining useful life of the assets in the water department. Due to this, in August 2021 the Town contracted with Municipal Engineering Services, Inc. to complete an assessment of the Town's water treatment plant to include estimated costs and priority levels in order to begin planning for repairs. The Town received the final draft of the assessment in December 2021. At that time, we were waiting for the delayed National Pollutant Discharge Elimination System (NPDES) permit before committing to an action plan. The NPDES permit each year could potentially come with changes in the compliance schedule which could necessitate different treatment processes in order to remain compliant with the permit. In the meantime, water rates have been increased each year to aid in building our reserves in preparation for a large upcoming water plant project. The reserves at the close of the fiscal year ended June 30, 2023 were just short of 1.9 million.

#### **ACTION PLAN:**

The Town received the draft NPDES permit on November 14, 2023 so we are now in a better position to begin discussing options with Town Council. The next annual retreat is in February 2024 and we intend to discuss options at that time and formulate a plan moving forward. With council approval, we will likely address the highest priority items quickly and move forward with financing options for the remainder of the repairs and/or replacements necessary.

Response to the Independent Auditor's Findings, Recommendations & Fiscal Matters January 22, 2024 Page 2 of 2

Questions regarding this response letter may be addressed to Sarah Currie, Finance Director, at 252.726.2121.

Sincerely,

Danny Navey, Mayor

# Board Meeting Agenda Item Submittal Form

Town of Atlantic Beach	8
Item:	Beach and Shore Regulations

Board Meeting Date:	January 22, 2024		
Department or Public Submittal:	Department	Town-wide	Public

**Overview:** Staff is proposing an amendment to Chapter 5, Beach and Shore Regulations, of the Town Code which would establish regulations to further protect the natural and nourished dune system by prohibiting crossing of these areas outside of an established walkway or defined path.

Additionally, the amendment would clarify the area to which these standards apply by revising the definition of "beach" in an effort to maintain consistency throughout the ordinance.

Information Attached: (please check if NO information attached)	Yes	X	No
Requested Action: (please check if NO action requested)	Yes	X	No

**Description of Action Requested:** Approval of Ordinance 24-01-02: Ordinance Amending Chapter 5, Beach and Shore Regulations, Article I, In General and Article II, Vehicular Traffic

# AN ORDINANCE AMENDING CHAPTER 5, BEACH AND SHORE REGULATIONS ARTICLE I, IN GENERAL, SECTION 5-1 DEFINITIONS; SECTION 5-1.1 PROTECTION OF DUNES; SECTION 5-1 GLASS CONTAINERS PROHIBITED ARTICLE II, VEHICULAR TRAFFIC; AND SECTION 5-4 CAMPING

AND

# CHAPTER 12, OFFENSES AND MISCELLANEOUS PROVISIONS SECTION 12-6, POSSESSION OF CONTAINERS FOR FOOD AND DRINK ON THE BEACH STRAND OF THE TOWN OF ATLANTIC BEACH CODE OF ORDINANCES

WHEREAS, in an effort to protect public and private property from erosion, litter, and other nuisances and to further protect and preserve the natural and nourished dune system, the Town deems it necessary to adopt restrictions on traversing the dunes in areas outside of established walkways or defined pathways; and

WHEREAS, the Town further seeks to define the area to which these standards apply to promote consistency throughout the ordinance.

WHEREAS, in an effort to eliminate duplication of Chapter 5, Beach and Shore Regulations, Section 5.1 (to be renumbered as Section 5-2), Glass Containers Prohibited, Chapter 12, Offenses and Miscellaneous Provisions, Section 12-6, Possession of Containers for Food and Drink on the Beach Strand will be deleted; and

**THEREFORE, BE IT HEREBY ORDAINED** by the Town of Atlantic Beach Town Council that the Town Code of Ordinances, Chapter 5, Beach and Shore Regulations and Chapter 12 Offenses and Miscellaneous Provision are amended as follows:

# **CHAPTER 5 - BEACH AND SHORE REGULATIONS**

# **ARTICLE I. - IN GENERAL**

#### Sec. 5.1 Definitions

For the purpose of this article, the following definitions shall apply unless specified or the context clearly indicates or requires a different meaning:

*Beach and sand dunes area* means all land landward of the low water mark of the Atlantic Ocean, to include the foreshore beach strand, barrier dune system, single sand dunes, dune ridges, dune systems, and any part thereof, both old and new, including the vegetative cover relating to these dunes. Public streets and highways are expressly excluded in this definition. Further, the areas of the front, side, and rear yards of a residence or business which are not part of a sand dune, dune ridge, or dune system, and which are covered by *vegetative cover*, grass, landscaping, gravel, rock, asphalt, cement, or similar material, are excluded from this definition.

## Sec. 5-1.1 Protection of dunes.

(a) Frontal dunes are the first mounds of sand located landward of the waters of the Atlantic Ocean with sufficient vegetation, height, and configuration to offer protection from ocean storms. Protection of frontal dunes is necessary to provide storm protection, preserve wildlife habitat, and preserve the aesthetics of the oceanfront area.

#### Ordinance 24-01-02

- (b) It shall be unlawful for any person to traverse or travel upon any frontal dune at any location other than a designated walkway structure or established sand pathway. Examples of unlawful activities include playing on, climbing on, and allowing pets to traverse upon the frontal dunes, the removal of frontal dune vegetation, and other activities that reduce the stability of the frontal dune system and potentially decrease its storm protection, wildlife habitat, and aesthetic values.
- (c) Sea oats are important in preventing damage to dunes during storms as they have both deep taproots and lateral rhizomes to help hold the soil in place. In accordance with NC GS 14-129.2, it is unlawful to dig up, pull up, or otherwise remove any part of any Sea Oats from public or private property without the consent of the owner.
- (d) The following activities are exempted from subsection:
  - (1) Regulatory, contract, and research activities conducted by government officials and researchers; or
  - (2) Storage of small sailboats out of the public trust beach area and the tidal zone, provided permission is granted by the oceanfront property owner.
- (e) Violations of this section shall subject the offender to the penalties prescribed in Section 1-6.

#### Sec. 5-1.2. - Glass containers prohibited.

No person shall take, carry or cause to be carried upon the public beaches or water adjacent thereto within the town any glass containers that could be used for the purpose of transporting food or beverage. This section shall not be deemed to include thermos bottles or thermos jugs.

(Ord. of 7-26-79; Ord. No. 98-02-03, § I, 2-16-98; Ord. No. 98-08-02, § I, 8-17-98)

#### Sec. 5-2. - Surfing.

## Sec. 5-3 - Regulation of vessels in waters of and adjacent to the town.

#### Sec. 5-4 – Camping prohibited.

- (a) Camping or sleeping overnight on the beach and sand dunes, or otherwise using the beach as a domicile, is hereby prohibited except for special events with customary civic value permitted by the eChief of pPolice or the tTown mManager.
- (b) Violations of this section shall subject the offender to the penalties prescribed in Section 1-6.

# **ARTICLE II. - VEHICULAR TRAFFIC**

#### Sec. 5-21. - Definitions.

For the purpose of this article, the following definitions shall apply unless the context clearly indicates or requires a different meaning:

*Beach and sand dunes area* means all land landward of the low water mark of the Atlantic Ocean and the low water mark of Bogue Sound, to include the foreshore beach strand, barrier dune system, single sand dunes, dune ridges, dune systems, and any part thereof, both old and new, including the vegetative cover relating to these dunes. However, pPublic streets and highways are expressly excluded in this definition. Further, the areas of the front, side, and rear yards of a residence or business which is not part of a sand dune, dune ridge, or dune system, and which is covered by vegetative cover, grass, landscaping, gravel, rock, asphalt, cement, or similar material, is excluded from this definition.

*Licensing agency* means the town clerk, police department and any other officer or agency of the town designated by the board of commissioners to issue permits for the town pursuant to this article.

*Limited accessways* means those areas designated by posted signs whereby legal access to the permitted driving area as hereafter defined may be achieved.

*Permitted driving area* means the foreshore and area within the town consisting of hardpacked sand and lying between the water of the Atlantic Ocean and a point ten (10) feet seaward from the foot or toe of the dune closest to the waters of the Atlantic Ocean or ten (10) feet from any bulkhead which ever point of demarkation is closer to the waters of the Atlantic Ocean.

*Vehicular traffic* means the use, other than upon public highways or private ways devoted to the use of the public, of any vehicle, whether motorized or not, and without regard to weight, number of wheels, or other variances among vehicles.

(Ord. of 10-20-86(1), § 1010)

Cross reference— Definitions and rules of construction generally, § 1-2.

## CHAPTER 12 OFFENSES AND MISCELLANEOUS PROVISIONS

#### Sec. 12-6. - Possession of containers for food and drink on the beach strand.

(a) It shall be unlawful for any person to take, carry, cause to be carried or possess upon the beach strand, any glass container which is designed for or used to contain any food product, drink or beverage.
(b) The "beach strand" is defined as that area within the limits of the town lying between the ordinary low water mark of the Atlantic Ocean and the toe of the primary dune located landward of the low water mark or, if closer to the low water mark, any manmade bulkhead running parallel to the low water mark of the Atlantic Ocean.
(c) A violation of this section shall subject the offender to the penalties provided for in section 1-6.
(Ord. of 2-18-85(2); Ord. No. 98-03-04, § 1, 3-16-98)
Cross reference — Beach and shore regulations, Ch. 5.

Adopted this the 22<sup>nd</sup> day of January, 2024.

ATTEST:

Danny Navey, Mayor

Katrina Tyer, Town Clerk

	Re-entry Pass Summary
Term	Long-Term- But we understand at some point (5yrs, 10yrs, etc) the
	program will be re-assessed, and new passes may need to be issued.
Form	Pass on cardstock, size of 1/3 paper (not green or blue)
Property Owners (as verified by Atlantic Beach tax parcel)	Two free given per parcel or PIN# at the commencement of the 2024 program.
	The property owner may give their pass to anyone they want but they are responsible for anyone who is holding their pass.
	Additional passes may be purchased for \$25 each by the property owner or with an affidavit from owner.
	Passes are to be conveyed at closing.
Business	One free given per eligible business.
	Must have a current AB business registration.
	Business owners may give their pass to anyone they want, but are responsible for anyone who is holding their pass.
	Additional passes may be purchased for \$25 each by the business owner or with an affidavit from the owner.
	Passes are to be conveyed at closing.
Long-term Tenants	Passes may be conveyed to the tenant at the property owner's discretion.
Management	Handled in-house.
General Public	Not available for purchase

# **Hurricane Re-entry Permit Policy**

Original Adoption: February 23, 2009 Updated: 2024

# Effective February 1, 2024, re-entry passes will no longer serve as parking passes in Atlantic Beach.

In 2011, re-entry passes were permitted to serve as free parking passes. The re-entry passes were ¼ the fee of the annual parking pass and we began seeing the trend that people were buying re-entry passes to distribute to their extended family, renters, guests, and business clientele for free parking. After several years of operating this way, the decision was made to detach re-entry passes from parking with the intent of limiting the number of people able to access the Town when a State of Emergency had been issued. Re-entry passes will no longer serve as parking passes in Atlantic Beach starting in 2024. This update aims to provide added security for our property owners. Re-entry passes will still be required to cross the high-rise bridge into Atlantic Beach after a major storm. The old policy allowed the volume of re-entry passes issued to grow exponentially beyond what is appropriate to allow re-entry after a storm for property owners. By reducing the number of passes to property owners, the town will be in a better position to protect your property after a storm.

## Pre- and Post-Storm:

The NC Highway Patrol will monitor the effects of winds on the Atlantic Beach/Morehead Bridge. The NC Highway Patrol will restrict travel across the high-rise bridge when wind speeds prevent safe passage or there is a threat of lanes becoming impassable due to over-turned vehicles or other blockages due to winds.

#### **Post-Storm Activities:**

First, public safety officials survey the town to ensure re-entry for property owners and residents is safe. Second, once safety concerns are addressed, we would ask to allow those with a legitimate and vested interest to return to secure their property before allowing the general public access to Atlantic Beach. Third, once property owners have secured their property, allow for the town's reopening. The proposed plan is in place for two reasons: safety and to ensure only those who have a legitimate reason are allowed back on the island. The proposed process for the new re-entry passes will require the completion of a simple application to ensure passes are tied to properties for accountability. This will eliminate the need to repeat this process yearly. Re-entry passes will be valid during the duration of the current policy and can be changed at the discretion of the Council. We realize there may be some minor inconveniences but remember this is to protect your property.

## Atlantic Beach Re-entry Permits:

- Permits will only be issued Monday through Friday, 8:00 AM 4:30 PM at Town Hall. Permits may be applied for online and will be mailed within 5 business days. No permits will be issued or mailed 24 hours before projected landfall. This restriction may be waived at the Town Manager's discretion.
- Separate re-entry permit applications are to be completed for each business, personal property, and real property. Applications must be completed in their entirety, and one application must be completed for each parcel.
- The parcel designates real and personal property, and businesses are linked to business registration.
- To be eligible, personal property must be listed for AB taxes. If it is not, the owner must go to the County and file the property for taxes and provide the town proof of filing with the parcel/account number listed prior to our issuance of passes.
- Several new owners have successfully contacted past owners, real estate agents, or closing attorneys to either get the passes back or be reimbursed for the cost of replacement passes.

- Personal property owners and real property owners may receive up to two permits at no charge per Parcel ID Number.
- Every business may receive up to one permit at no charge.
- Additional permits can be purchased for \$25 per additional permit, with no exceptions.
- Once a property owner or business owner receives their free permits, they may give the permit to any individual(s) of their choosing who may be in a better local position to check on the property, or additional permit(s) can be purchased for that purpose.
- Torn or worn permits that need to be replaced can be brought to Town Hall for replacement without charge.
- No refunds will be given for passes that have been purchased, even if they have "found" the original ones later.
- Passes may be conveyed to tenants at the property owner's discretion.
- Permits are assigned to specific parcel numbers, and all permits will be transferred at closing or at the transferring of the title. This is as important as receiving the keys, parking passes, or gate control cards at closing. If two permits have previously been assigned to the parcel number, the new owner will be charged the \$25 fee for each replacement permit requested. Several new owners have successfully contacted past owners, real estate agents, or closing attorneys to either get the passes back or be reimbursed for the cost of replacement passes.
- Re-entry passes have addresses written on them. If an officer stops a person/vehicle at an address that does not match their pass, the officer will not be able to verify that they own multiple places and, therefore, have a legitimate purpose for being on that other property. If they own multiple locations, they should have a pass with them that matches the location they are visiting.
- Re-entry permits issued from this point forward will remain valid indefinitely or until the Atlantic Beach Town Council updates or modifies this policy.

# Atlantic Beach Amended 2024 Schedule of Meetings

All meetings are held in the Town Boardroom at the Town's Public Safety Administrative Facilities located at 125 West Fort Macon Road, Atlantic Beach on the dates and times listed *unless otherwise noted*.

Sampling: Timed how long it took to fill a gallon jug to get a gallon per minute at each sampling site that runs 24/7. These sites include Tower 1, Hi service pump room at the water plant, sink at well 6, sink at well 6, sink at well 6, sink at well 7, and the sink in the water plant lab. These sites run 520,665 gallons a month.

Backwash: In our backwash process we use finished water that is metered, and gallons used per month varies depending on how many times we backw.Exir.example, we used 389,300 gallons from May 16th to June 15th 2019.

Carrier, The carrier water used for chlorination is recycled back into the plant. We used our strap on ultrasonic meter to see what the gallons per minute was flowing through the carrier water line when a hi service pump was on. It ended up being 50gpm. So we look at how many minutes our hi service pumps run in a billing cycle to determine the amount of water used for chlorination. In the example May/June billing cycle, the pumps ran for 437.08 hours using 1,311,250 gallons.

Flushing: In flushing around the town for water quality control we use a chart provided by the fire department that lists the galions per minute for each hydrant. In the May/June billing cycle we flushed 994.400 galions. We also used our galion jug trick in the his ervice pump room where we have leaking check valves to show a loss of 50,000 galions per month.

Leaks: In determining the amount of water lost in leaks found around town we use a spreadsheet provided by Rural Water that uses the variables of the leak to show gallons lost. Also incorporated is a single day of 500,000 gallons per month to cover the water made to fill the water towers that isn't billed.
